

# How to Complete and Return your Official Mail-in Ballot

1. Complete the ballot with a **black ink pen**, making sure to fill in one oval for each race. A sample ballot is enclosed to help you.
2. Place your ballot inside the secrecy envelope and seal it. This envelope is labeled "Official Election Ballot." See photo. 
3. Place the sealed secrecy envelope containing your ballot inside the larger Official Ballot Return Envelope. This has the Voter's Declaration statement on the back.
4. Complete the Voter's Declaration with your signature and today's date.
5. The section to the right is only to be completed if you have a disability or illness and are unable to sign.
6. MAIL YOUR BALLOT IMMEDIATELY. No stamp is needed; postage is paid by the state.

When there is a date received listed, you have VOTED! If this does not update with a date by Election Day, go to the polls and ask for a provisional ballot.

**Note:** Voter Services WILL NOT contact you if there is a problem with your ballot. It's up to you to check your ballot status and make sure your vote is counted!

**Voter's declaration**

I hereby declare that I am qualified to vote in this election; that I have not already voted in this election; and I further declare that I marked my ballot in secret. I am qualified to vote the enclosed ballot. I understand I am no longer eligible to vote at my polling place after I return my voted ballot. However, if my ballot is not received by the county, I understand I may only vote by provisional ballot at my polling place, unless I surrender my balloting materials, to be voided, to the judge of elections at my polling place.
